1. The first group of people who are not in the labor force are those who are not in the labor force because they are not in the labor force.

2014年12月15日

1. The first group of respondents (n = 10) was composed of individuals who had been employed by the company for less than 1 year. This group was selected to represent new employees who were likely to have limited experience with the company's policies and procedures.
